

Cornerstone Total Return Fund, Inc.
Description of Dividend Reinvestment Plan (Unaudited)

Cornerstone Total Return Fund, Inc. (the “Fund”) operates a Dividend Reinvestment Plan (the “Plan”), administered by Equiniti Trust Company, LLC (the “Agent”), pursuant to which the Fund’s income dividends or capital gains or other distributions (each, a “Distribution” and collectively, “Distributions”), net of any applicable U.S. withholding tax, are reinvested in shares of the Fund.

Stockholders automatically participate in the Fund’s Plan, unless and until an election is made to withdraw from the Plan on behalf of such participating stockholder. Stockholders who do not wish to have Distributions automatically reinvested should so notify the Agent at Equiniti Trust Company LLC, 48 Wall Street, 23rd Floor, New York, NY 10005. Under the Plan, the Fund’s Distributions to stockholders are reinvested in full and fractional shares as described below.

When the Fund declares a Distribution the Agent, on the stockholder’s behalf, will (i) receive additional authorized shares from the Fund either newly issued or repurchased from stockholders by the Fund and held as treasury stock (“Newly Issued Shares”) or (ii) purchase outstanding shares on the open market, on the NYSE American or elsewhere, with cash allocated to it by the Fund (“Open Market Purchases”).

The method for determining the number of Newly Issued Shares received when Distributions are reinvested will be determined by dividing the amount of the Distribution either by the Fund’s last reported net asset value per share or by a price equal to the average closing price of the Fund over the five trading days preceding the payment date of the Distribution, whichever is lower. However, if the last reported net asset value of the Fund’s shares is higher than the average closing price of the Fund over the five trading days preceding the payment date of the Distribution (i.e., the Fund is selling at a discount), shares may be acquired by the Agent in Open Market Purchases and allocated to the reinvesting stockholders based on the average cost of such Open Market Purchases. Upon notice from the Fund, the Agent will receive the distribution in cash and will purchase shares of common stock in the open market, on the NYSE American or elsewhere, for the participants' accounts, except that the Agent will endeavor to terminate purchases in the open market and cause the Fund to issue the remaining shares if, following the commencement of the purchases, the market value of the shares, including brokerage commissions, exceeds the net asset value at the time of valuation. These remaining shares will be issued by the Fund at a price equal to the net asset value at the time of valuation.

In a case where the Agent has terminated open market purchases and caused the issuance of remaining shares by the Fund, the number of shares received by the participant in respect of the cash dividend or distribution will be based on the weighted average of prices paid for shares purchased in the open market, including brokerage commissions, and the price at which the Fund issues the remaining shares. To the extent that the Agent is unable to terminate purchases in the open market before the Agent has completed its purchases, or remaining shares cannot be issued by the Fund because the Fund declared a dividend or distribution payable only in cash, and the market price exceeds the net asset value of the shares, the average share purchase price paid by the Agent may exceed the net asset value of the shares, resulting in the acquisition of fewer shares than if the dividend or distribution had been paid in shares issued by the Fund.

Whenever the Fund declares a Distribution and the last reported net asset value of the Fund’s shares is higher than its market price, the Agent will apply the amount of such Distribution payable to Plan participants of the Fund in Fund shares (less such Plan participant’s pro rata share of brokerage commissions incurred with respect to Open Market Purchases in connection with the reinvestment of such Distribution) to the purchase on the open market of Fund shares for such Plan participant’s account. Such purchases will be made on or after the payable date for such Distribution, and in no event more than 30 days after such date except where temporary curtailment or suspension of purchase is necessary to comply with applicable provisions of federal securities laws. The Agent may aggregate a Plan participant’s purchases with the purchases of other Plan participants, and the average price (including brokerage commissions) of all shares purchased by the Agent shall be the price per share allocable to each Plan participant.

Registered stockholders who do not wish to have their Distributions automatically reinvested should so notify the Fund in writing. If a stockholder has not elected to receive cash Distributions and the Agent does not receive notice of an election to receive cash Distributions prior to the record date of any Distribution, the stockholder will automatically receive such Distributions in additional shares.

Participants in the Plan may withdraw from the Plan by providing written notice to the Agent at least 30 days prior to the applicable Distribution payment date. The Agent will maintain all stockholder accounts in the Plan and furnish written confirmations of all transactions in the accounts, including information needed by stockholders for personal and tax records. The Agent will hold shares in the account of the Plan participant in non-certificated form in the name of the participant, and each stockholder’s proxy will include those shares purchased pursuant to the Plan. The Agent will distribute all proxy solicitation materials to participating stockholders.

In the case of stockholders, such as banks, brokers or nominees, that hold shares for others who are beneficial owners participating in the Plan, the Agent will administer the Plan on the basis of the number of shares certified from time to time by the record stockholder as representing the total amount of shares registered in the stockholder's name and held for the account of beneficial owners participating in the Plan.

Neither the Agent nor the Fund shall have any responsibility or liability beyond the exercise of ordinary care for any action taken or omitted pursuant to the Plan, nor shall they have any duties, responsibilities or liabilities except such as expressly set forth herein. Neither shall they be liable hereunder for any act done in good faith or for any good faith omissions to act, including, without limitation, failure to terminate a participants account prior to receipt of written notice of his or her death or with respect to prices at which shares are purchased or sold for the participants account and the terms on which such purchases and sales are made, subject to applicable provisions of the federal securities laws.

The automatic reinvestment of Distributions will not relieve participants of any federal, state or local income tax that may be payable (or required to be withheld) on such Distributions. The Fund reserves the right to amend or terminate the Plan. There is no direct service charge to participants with regard to purchases in the Plan.

Participants may at any time sell some or all their shares through the Agent. Shares may be sold via the internet at www.equiniti.com or through the toll-free number. Participants can also use the tear off portion attached to the bottom of their statement and mail the request to Equiniti Trust Company LLC, 48 Wall Street, 23rd Floor, New York, NY 10005. There is a commission of \$0.05 per share.
